

Day 1, Thursday May 22

| Time | Room 1 | Room 2 | Room 3 | Room 4 |
|-------------|---|---|---|---|
| 8.30- | Registration open | | | |
| 9.30-11.00 | <p>Estonia Personalized prevention of cardiovascular diseases</p> <ul style="list-style-type: none"> -Introduction -Personalized prevention in patients with dyslipidemia in Europe in 2025. The role of upfront lipid lowering combination therapy. Maciej Banach (PI). -Personalized prevention of cardiovascular disease in Estonia. Martin Serg (Est) -Personalized prevention of CVD in Sweden - some examples. Peter Nilsson (SE). -Personalized approach to hypercholesterolemia. Gustavs Latkovskis (LV). -Interactive poll -Panel discussion <p>Chairs: Prof Margus Viigimaa (Estonia), Prof Karl Andersen (Iceland)</p> | <p>Finland Latest advances in cardiac pacing and ablation</p> <ul style="list-style-type: none"> -Conduction system pacing for bradycardia - ready for prime time? -How to resynchronize the heart: biventricular pacing or conduction system pacing? -Goodbye to leads? -Catheter ablation for atrial fibrillation: state of the art in 2025. <p>Chairs: Jarkko Karvonen (FI), Michael Vinther (DK)</p> | <p>Nursing and allied professionals Nursing perspectives in patients with heart diseases</p> <ul style="list-style-type: none"> -Heart and Mind – finding from a comprehensive Nordic research program. Professor Selina Kikkenborg Berg, Denmark -Self care. Anna Strömberg, Sweden -Title? Joergen Hendrick, Nederland -Panel discussion: Selina Kikkenborg Berg, Denmark, Maria Bäck, Sweden, Anna Strømberg, Sweden <p>Chairs: pending</p> | <p>Sweden Transposition of the Great Arteries</p> <ul style="list-style-type: none"> -Historical and Surgical Perspective on Transposition of the Great Arteries. Carl Johan Malm (SE) -Echocardiography and Hemodynamics in Transposition of the Great Arteries. Ola Gjesdal (NO) -Long-Term Data, Complications, and Mortality in Transposition of the Great Arteries. Anette Schopphus Jensen (DK) <p>Chairs: Bengt Johansson (SE), Joanna Hlebowicz (SE).</p> |
| 11.00-11.15 | Coffee break | | | |
| 11.15-12.00 | <p>Opening session</p> <ul style="list-style-type: none"> -Welcome to NBCC 2025. Prof. JF Lassen, president of the Danish Society of cardiology (DK) -Opening lecture. G. Gisslasson | | | |
| 12.00-13.30 | Lunch symposium (pending) & Moderated posters (Main chair: Dan Høfsten (DK)) | | | |
| 13.30-15.00 | <p>Denmark Cardiogenic shock and Mechanical support</p> <ul style="list-style-type: none"> -Revascularization -Inotropes -Bridge to destination therapy <p>Arranged by DCS working group (acute cardiology)</p> | <p>Denmark Arrhythmia and anticoagulation</p> <ul style="list-style-type: none"> -Secondary atrial fibrillation, to be anticoagulated or not. David Conen (CA) -CHADS2-VA1 – Who and when to anticoagulate. Speaker pending -Break – stretch the legs (10 minutes) -Left Atrial Appendage Occlusion should be offered as an alternative to anticoagulation treatment for stroke prophylaxis. Pro. Speaker pending -Left Atrial Appendage Occlusion should be offered as an alternative to anticoagulation | <p>Nursing and allied professionals Enhancing quality of life in cardiovascular patients: Challenges and strategies</p> <ul style="list-style-type: none"> -Mental health and cardiovascular disease. Speaker pending -Transforming the experience of aortic valve disease in older patients. Bettina Højberg Kirk (DK) -Patient perspective/the young next of kin, The Heart and Mind project. Speaker pending | <p>Sweden Digital health and AI - the cardiologist of tomorrow</p> <p>PENDING</p> |

| | | | | |
|-------------|--|---|--|---|
| | | treatment for stroke profylaxis. Con. Speaker pending -Discussion (10 min) Chairs: Thomas Kümler Arranged by DCS working groups (arrhythmias and thrombocardiology) | (SE) Chairs: pending | |
| 15.00-15.30 | Coffee break | | | |
| 15.30-17.00 | Denmark CTEPH Diagnosis and treatment Surgery BPA Arranged by DCS working group (thrombocardiology) | Latvia Miscellaneous Cardiology -Single centre study of bilateral internal mammary composite"Y"graft usage in comparision to other surgical myocardial revascularization technique. Martins Erglis (LV). -Atrial fibrillation begets atrial fibrillation and early ablation. Kaspars Kupics (LV). -Does Electrocardiography Help Recognize the Risks of Sudden Cardiac Death? Veteran sport at competition level - the boundary between maintaining health and increased risk - Arrhythmogenic Right Ventricular Cardiomyopathy or Arrhythmogenic Cardiomyopathy - A set of diseases with a predominant clinical manifestation. Oskars Kalejs and / or colleagues. Chairs: pending | Nursing and allied professionals Innovations and future directions in cardiac rehabilitation -Tailoring digital health interventions. Maria Bäck (SE) -Integrating mental health support in cardiac rehabilitation. Speaker pending -Digital health solution, patient education, symptoms. Speaker pending (IS) -Women perspective in CR. Hanne Flagtvedt (NOR) Chairs: pending | Denmark Cardio oncology -Overview of ESC Cardio-onco guidelines -Cancer and CVD – epidemiological aspects -Key-note: State-of-the-art within Cardio-oncology -Typical cases of cardio-toxicity – interactive session -Panel discussion: Should every center have a cardio-onco service? Is the ESC guidelines a must-know paper for every cardiologist even though LoE is quite low. Chairs & speakers: pending Arranged by DCS working group on pharmatherapy Nina Nouhravesh |
| 17.00-18.30 | Social event | | | |

Day 2 Friday May 23

| Time | Room 1 | Room 2 | Room 3 | Room 4 |
|---------------|--|---|---|--|
| 8.30-10.00 | <p>Lithuania</p> <p>Making a difference in heart failure care</p> <p>-How to treat heart failure when the kidney fails. Wilfried Mullens (BEL) -Atrial cardiomyopathy and interatrial shunt therapy. Jelena Čelutkienė (LIT) -What is the evidence for short-term circulatory support? Speaker pending -Development of palliative care for heart failure. Speaker pending</p> <p>Chairs: pending</p> | <p>Denmark</p> <p>Chronic coronary syndrome</p> <p>-CT-guided diagnosis and intervention -Indications for revascularization</p> <p>-Non-invasive imaging</p> <p>Arranged by DCS working group (invasive cardiology, preventive cardiology, imaging) Jacob Lønborg, Ann Dorthe Zwisler Olsen.</p> | <p>Young cardiologist</p> <p>Hemodynamics</p> <p>Speakers</p> <p>-Jacob Møller</p> <p>-Jesper Kjærgaard</p> <p>Chairs: pending</p> | <p>Nursing and allied professionals</p> <p>Navigating frailty in cardiovascular care: Emerging trends and evidence-based strategies</p> <p>-How high can we go? Physical, mental, and social capacities and long-term outcomes in octogenarian and nonagenarian patients after percutaneous coronary intervention. Irene Instenes (NO) Chairs: Pending</p> |
| 10.00-10.30 | Coffee break | | | |
| 10.30 - 12.00 | <p>Denmark</p> <p>Heart failure and device therapy</p> <p>-Primary preventive ICD in ICM – time to challenge? Speaker pending -Primary preventive ICD in NICM – Who will benefit? Speaker pending -Ablation of VT in heart failure patients with ICM/NICM– who will benefit? Speaker pending -Ablation of AF in heart failure patients with and without AF-induced HF Speaker pending</p> <p>Arranged by DCS working groups (arrhythmia and heart failure). Anders Barassa og Jacob Moesgaard.</p> | <p>Denmark</p> <p>Acute coronary syndrome Prehospital management of ACS patients</p> <p>-Revascularization -Antithrombotic therapy -Arranged by DCS working group (acute cardiology) Reza Jabbari.</p> | <p>Young cardiologist</p> <p>Clinical case competition</p> <p>Chair: Thomas Lassen</p> | <p>Denmark</p> <p>Cardiovascular disease in the elderly</p> <p>Arranged by DCS working group (farmakology, preventive cardiology) Nina Nouhravesh and Ann Dorthe Zwisler Olsen.</p> |
| 12.00-13.30 | Lunch symposium & Moderated posters (Main chair: Dan Høfsten (DK)) | | | |
| 13.30-15.00 | <p>Joint session</p> <p>Doctors abstract competition Chair: Dan Høfsten and FYC chair (DK)</p> | | | |
| 15.00-15.30 | Coffee break | | | |

| | | | | |
|-------------|--|---|---|--|
| 15.30-17.00 | <p>Joint session</p> <p>European Heart Journal - this year in cardiology?</p> <p>-Structural heart disease (NBCC representative) -Ischemic heart disease (M. Roffi) -Arrhythmia (NBCC representative) -Tips and tricks from the editors (C. Torp-Pedersen)</p> <p>Chair: Cecilia Linde (EHJ)</p> | | | |
| 17.00-18.00 | <p>Nursing and allied professionals</p> <p>Nurses Abstract competition</p> <p>Pending</p> | <p>Denmark</p> <p>HCM</p> <p>Arranged by DCS working group (hereditary heart diseases) Martin Snoer.</p> | <p>Young cardiologists</p> <p>How can we inspire each other?</p> <p>Helga Margrét Skúladóttir (Iceland) Peter Hammarlund (Sweden) Martin Serg (Estonia) Pending... (Finland, Lithuania)</p> | <p>Denmark</p> <p>Sportscardiology</p> <p>3 case-based lectures (15 min) each followed by discussion (5 min):</p> <p>-AFLI in athlethes - challenges -Ventricular arrhythmias in athlethes – challenges -Chamber dilatation in athlethes – challenges</p> <p>Arranged by DCS working group (preventive cardiology – sports cardiology nucleus) Ann Dorthe Zwisler Olsen / Hanne Rasmusen.</p> |
| 19.00- | <p>Congress dinner - Tivoli</p> | | | |

Day 3, Saturday May 24

| Time | Room 1 | Room 2 | Room 3 | (Room 4) |
|---------------|---|---|---|----------|
| 8.30-10.00 | <p>Denmark Lipids</p> <p>Arranged by DCS working group (preventive cardiology) Christian Bork.</p> | <p>Denmark Tricuspid valve regurgitation - surgical and transcatheter therapies</p> <p>Demography, imaging, patient selection (30 min) Surgery (15 min) Transcatheter therapies (15 min) Case based panel discussion (20 min) Questions and discussion with audience (10 min) Speaker pending</p> <p>Arranged by DCS working group (valve disease) Rasmus Carter Storch.</p> | <p>Nursing and allied professionals Enhancing patient outcomes in acute care: Latest research and evidence-based approaches</p> <p>Speakers pending</p> | |
| 10.00-10.30 | Coffee break | | | |
| 10.30 - 12.00 | <p>Norway Treatment and management of aortic valve disease</p> <ul style="list-style-type: none"> - What to learn from latest studies on treatment of aortic stenosis. Do we change our strategies and practice? Matthias Gotberg & Oscar Angerås (SE) -Early intervention, what is more important in timing of aortic stenosis intervention – the valve, the left ventricle or the symptoms? Håvard Dalen (NO) - Antithrombotic medication after TAVI? Øyvind Lie (NO) -TAVI in the oldest old, prolonging life or prolonging death? Elisabeth Skaar (NO) -10 min imaging vignette/short cases from echo, CT, MRI in aortic stenosis treatment, procedure planning, complications. Interactive poll. <p>Chairs: Pending</p> | <p>Iceland Cardiac Genetics</p> <ul style="list-style-type: none"> -Cardiac genetic clinic, why and how? -Family Screening in Cardiomyopathies: Optimizing Follow-up and Reducing the Screening Burden. -Actionable genes, time to act? David O Arnar (IS) -500 years of HCM in Iceland. Oddný Brattberg Gunnarsdóttir (IS) -Panel discussion <p>Chairs: pending</p> | <p>Young cardiologists Crash Course for Young Cardiologists: Time-Sensitive Interventions</p> <ul style="list-style-type: none"> OHCA: Rapid Response Interventions Christian Hassager VT Storms: Emergency Management Essentials Niels Sandgaard Chordae Rupture: Act Fast, Save Lives Rasmus Carter Acute Aortic Insufficiency: Quick Diagnosis and Action Jonas Poulsen STEMI Equivalents: Speedy Recognition and Treatment Carsten Stengaard 11:45 - Aortic Dissection: Immediate Steps for Survival Anna Axelson | |
| 12.00-12.30 | <p>Joint session – Denmark and chair of NBCC 2027 Closing session - United in cardiology – what have we learnt and where do we go?</p> <p>Presidents of the Nordic Baltic alliance</p> | | | |
