SPONSOR PROSPECTUS

[NBCC2025](#) | Copenhagen, Denmark | 22– 24 May 2025

Sponsor invitation

We are pleased to invite you to participate in the 29th Nordic-Baltic Congress of Cardiology (NBCC2025) held in Copenhagen Denmark 22-24th of May 2025.

We see the sponsorships as an essential part of the congress, which offers your company an opportunity to introduce the latest improvements in pharmacological treatment, diagnostic tools and technology.

This biannual congress provides educational and networking opportunities not only for the Nordic-Baltic profession but also with increasing internationalization, participants outside those countries will find it interesting to attend the congress.

The congress will be held at the Tivoli Hotel & Congress Center in Copenhagen. This hotel is well placed in the heart of Copenhagen, and is close to the main train station. It is also close to the Tivoli gardens, which is a must see when you visit Copenhagen.

There will be several sponsorship opportunities available, and the opportunity to customise them to suit your requirements.

We hope that you will consider supporting NBCC2025 and we look forward to welcoming you in Copenhagen, Denmark in May 2025.

On behalf of the Local Organizing Committee

Jens Flensted Lassen,
MD, PHD, Denmark Chairman, NBCC 2025
